	Does not address the question.	Addresses <b>some</b> but not all of the question and <b>poorly written.</b>	Addresses <b>some</b> but not all of the question but <b>well written.</b>	Addresses <b>all</b> of the question but <b>poorly written.</b>	Addresses <b>all</b> of the question and <b>well written.</b>	Thoughtful, introspective. Above and beyond expectations.	Analyze additional aspects other than the 4 required questions
Which attributes did people agree with you the most?							
Which attributes did people disagree with you the most?							
Are there some attributes for which you and others saw yourself in divergent ways, but for which others tended to agree with one another (just not you)? Why do you think this happened? Are there some common themes?							
Were there domains in which your friends and family tended to have differing views of you (regardless of how you see yourself). Why do you think this happened?							
					TOTAL = (can't exceed 100%)
